

USAGE GUIDELINES - BLOCK PARTY TRAILER CAREY BAPTIST ASSOCIATION

Availability

Block Party Trailer is available for use by churches, associations, and missions cooperating with the Carey Baptist Association (CBA) and the Louisiana Baptist Convention for the purpose of evangelism, compassion ministry, and community outreach. Any other use must be approved in writing by the Director.

Reserving the Trailer

Reservations for the trailer can be made by calling or emailing the CBA office to be placed on the calendar. Please check the calendar on the website (careyassoc.org/resources/trailer/) for availability before making your request. The Block Party Trailer will be scheduled on a first-come, first-served basis. Requests will not be taken over one year in advance. No reservations will be made for more than five (5) days without written approval from the Director. **All rental agreements, insurance forms, and payments should be submitted to the CBA office at least seven (7) days before your event.**

NOTE: There is typically a high demand around holidays and special events. If your church would like to reserve the block party trailer around a holiday, please reserve your spot early!

Fees

Rental Fee - There is a **user's fee of \$200** for the first two days plus an additional \$25 per day for additional days. **All rental agreements, insurance forms, and payments should be submitted to the CBA office at least seven (7) days before your event.**

At the discretion of the Director of Missions, the rental fee may be reduced to \$100 for small churches within Carey Baptist Association (CBA). Please contact the CBA office to make such arrangements. Special Evangelistic and Compassion Ministry events will not incur a rental fee but must have church sponsorship to provide the required insurance.

Deposit - In addition to the user's fee, **a \$100 deposit** is required to encourage the care and preservation of the trailer and its contents. The deposit will be returned contingent on the trailer and its contents having been returned in good condition and in a timely manner. If any contents of Block Party Trailer are found to be missing or damaged, the cost to repair, replace, or clean will be deducted from your deposit. The contents of the trailer should also be placed back in the trailer **NEATLY** and according to the diagram posted inside the trailer or you risk **forfeiting your deposit**. If the repair/replacement/cleaning cost exceeds the deposit amount, your church/group will be billed for the extra cost.

Please make checks payable to the Carey Baptist Association and mail to 3007 Enterprise Blvd. Ste. B., Lake Charles, LA 70601. Please make **two separate checks** so the deposit check can be returned after the trailer is returned and inventoried.

Responsibility

1. The user of the Block Party Trailer assumes full responsibility for the trailer and its contents from pick up to return.
2. All users must complete a **Rental Agreement** and a **Hold Harmless** form and submit the forms with the required checks to the CBA office. Failure to provide this documentation will forfeit the deposit and the reservation will be cancelled.
3. All users must have liability insurance and must provide a copy of the **Certificate of Liability** to the CBA office with Carey Baptist Association listed as an **Additional Insured**. Failure to provide this documentation will forfeit the deposit and the reservation will be cancelled.
4. **All rental agreements, insurance forms, and payments should be submitted to the CBA office at least seven (7) days before your event.**
5. The user ensures all contents are clean, dry, and ready for the next church to use including the sno-cone and popcorn machines. Under no circumstances shall the jumpers be stored back on the trailer wet or damp. It must be dry before being folded for moving to prevent damage. ALL contents must be put back in their proper location when the trailer is repacked. See chart posted in trailer.
6. Report any damage immediately upon return of the trailer.

Contents/Supplies

1. ALL OF OUR BOUNCE HOUSES ARE TO BE USED **DRY**. THESE ARE **NOT** TO BE USED AS WATER SLIDES.
2. You can refer to our website for a complete list of the trailer contents:
<https://careyassoc.org/resources/trailer/>
3. CBA has a kit that can be provided that includes all you will need for sno-cones and popcorn. A full list of contents can be found on the webpage listed above.
4. CBA has a portable sound system that can be provided for your event. This system includes 2 speakers, 2 speaker stands, a microphone, and all necessary wires.
5. The popcorn/sno-cone kit and the portable sound system must be transported inside your vehicle and should at no time be transported inside the trailer. Transporting these items inside the trailer risks damage and/or spillage of contents.

Pick-Up/Return

A checklist is provided with your paperwork. Please complete the checklist both on pickup and return. Turn the checklist in to the office with the keys upon return.

A regular size pick-up with 2-5/16" trailer ball is required to transport the trailer. For your convenience, a trailer hitch is provided inside the trailer. If this trailer hitch is used, please ensure it is placed back inside the trailer upon return. Brake and turn signal lights require a 7 way blade plug connector which must be hooked up and used.

Location - You may pick up the trailer at the following address unless otherwise designated:
FBC Sulphur, 401 S Huntington St, Sulphur, LA 70663

Before Your Event

1. Mail or drop off your deposit and rental checks, Rental Agreement Papers, and Certificate of Liability to the CBA office. Please note on the checks that it is for use of the Block Party Trailer.
2. Proof of insurance with Carey Baptist Association listed as Additional Insured must be provided before the Block Party Trailer may be picked up.
3. The Hold Harmless Agreement and Rental Agreement must be signed and returned before the trailer can be picked up. All injuries/accidents related to trailer usage are the sole responsibility of the user, church or group.
4. **All rental agreements, insurance forms, and payments should be submitted to the CBA office at least seven (7) days before your event.**
5. Contact your local municipality to see if any permits are necessary to conduct a block party or ministry event in your area.
6. Obtain all supplies needed for your event. (Don't forget we have the popcorn/sno-cone kit!)
7. Secure adult volunteers to help with setup and take down of the equipment. At least five strong adults are required, especially for the jumpers.
8. Secure adult volunteers to man each piece of equipment that will be in use:
 - a. Jumpers 1-2 volunteers per jumper
 - b. Food Stations 1-2 volunteers per station
9. Plan to allow 60 to 90 minutes for set-up.

After Your Event

1. Any food equipment that is used will need to be washed. If you are having your event somewhere without running water, please plan in advance to have someone take the equipment offsite and wash it.
2. Make sure all contents are clean, dry, and ready for the next group to use.
 - a. Under no circumstances shall the jumpers be stored back on the trailer wet or damp.
 - b. Jumpers must be dry before being folded for moving to prevent damage.
3. ALL contents must be put back in their proper location when the trailer is repacked.
4. **Jumps should be rolled neatly, tight, and strapped onto it's designated dolly.**
5. Return the trailer to the CBA office by 10:00 a.m. Other arrangements can be made, but please contact the Carey office for these exceptions.
6. Upon return, complete the checklist that is provided with your paperwork, sign and date the checklist, and return it to the office with the keys.

Weather Considerations

1. Rain: If it appears that rain is imminent, the jumpers should not be unloaded from the trailer. If the jumpers are already set up, they should be taken down and stored immediately. If the jumpers get wet, they should be set up and allowed to dry before they are used or stored.
2. Wind: If the wind is blowing or gusting to above 25 mph the jumpers should be deflated immediately. If the wind dies down below 25 mph, the jumpers can be inflated and used again.

For optimum safety, the jumpers should be set up in a location where it can be staked into the ground to secure against wind.

3. Please refer to the instruction located inside the trailer door for proper set-up, take-down and usage procedures for the jumpers. We have also provided an instructional video on our website for your convenience: <https://careyassoc.org/resources/trailer/>

Cancellations:

If weather prevents a scheduled event, an alternate date will be rescheduled based on trailer availability. If no suitable date can be found, both the deposit check and the rental fee will be returned. If you cancel your event for other reasons, please contact the Association office as soon as possible so that the trailer can be made available for another group.
